

*Designed for maximum
airflow performance to keep
you running at peak efficiency*

5HP DUST GORILLA[®] PRO (55 GAL)

- *Industrial U.S. made motor provides ample CFM for up to 3 tools at once*
- *HEPA filtration with Flame Guard™*
- *Smart Boost™ technology monitors for suction loss and automatically adjusts motor's speed to deliver higher suction when needed*

Stacking sound filter reduces already quiet system by additional 6-7 dBA.

Dust Sentry™ bin level sensor flashes red, alerting you when drum is full.

The Industry Leader in Dust Collection

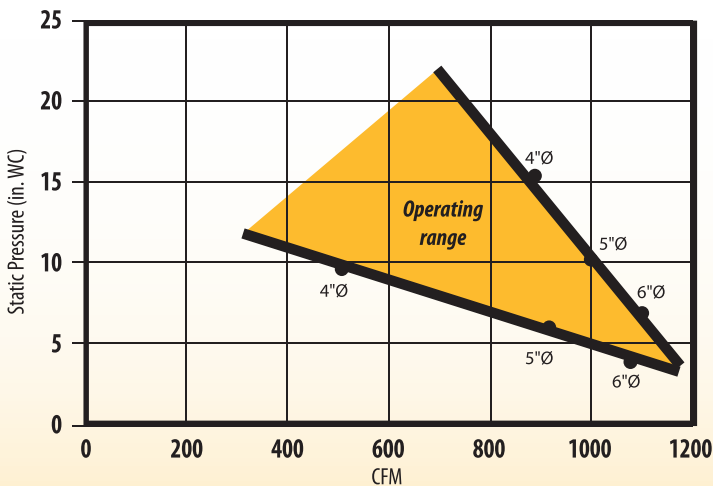

5HP Dust Gorilla Pro Dust Collector (55 Gallon)

SKU	XGK050055
Airflow	1625 CFM
Dims (W x H x D)	48 x 106 x 30"
Height to Inlet Center	78.5"
Weight (net)	455 lbs.
Inlet Diameter	7"
Discharge Size	9" dia.
Impeller Size	15" dia.
Noise Level	78 dBA @ 10 ft
